The VEB Gummistoffe at Ebersbach, Saxony, completed its last order four weeks late. It now has a new order for the production of 32,000 square meters of rubberized material of two sorts. One is for rubberized tissue, impregnated, and backed on one side with a layer of rubber of a greenish color. The other part of the order is for heavy cotton fabric, rubber coated on both sides. The order is for the Soviet Union, and the materials for the fabric are delivered from the Soviet Union.
